

RIGHTS OF CHILDREN AND ADOLESCENTS

PARLIAMENTARY OBSERVATORY OF THE UNIVERSAL PERIODIC REVIEW

RECOMMENDATIONS TO BRAZIL

3RD CYCLE OF THE UNIVERSAL PERIODIC REVIEW (2017 - 2021)

	Recommendation	Assessment
194	Increase its focus on policy implementation to combat family violence, and in particular violence against women and children (Australia).	↑
195	Strengthen policies and programmes addressing violence against women and combat child prostitution (SIC) (Indonesia).	×
199	Guarantee the rights of the child and create the best alternative for improving the current system of youth accountability, in compliance with the International Convention on the Rights of the Child (Estonia).	×
201	Continue the efforts directed towards the promotion of the rights of the child (Armenia).	↓
202	Prioritize family-type care settings and foster families over institutionalized placements and include foster care as an important instrument within the special protection measures for children (Serbia).	↑
203	Further strengthen its efforts to enforce the Boy Bernard Act (Lei Menino Bernado) and promote non-violent, positive and participatory forms of child-rearing and discipline (Liechtenstein).	×
204	Adopt comprehensive policies to combat sexual harassment, especially against children and adolescents, including those in street situation or living in placement institutions (Maldives).	×
205	Further strengthen programmes to address child labour, in particular through inspection, investigation, and preventative measures such as improving socioeconomic conditions for children and ensuring access to education (Liechtenstein).	↓
206	Reject proposed Constitutional amendments and draft bills that seek to reduce the age of criminal responsibility (Uruguay).	↓
207	Continue to eliminate discrimination against in street situation and rural areas, as well as children with disabilities and against other minority groups, and take all necessary measures to prevent abuse of their vulnerabilities (Turkey).	↓
208	Take all necessary measures to effectively eliminate the incidence of child, early and forced marriages (Switzerland).	↑
